Guys Only

Moxie/For Men brings back the barbershop in the most futuristic fashion. Just steps from hipster club Mosun in Laguna Beach, the guys-only salon not only cuts hair and gives you an old-fashioned brush-and-razor shave, but also has face, nail and hair-removal treatments for the modern man. Guys feel at home here with the classy dark wood furniture, black leather chairs and flat-screen TV at each station. After a sharp new cut and relaxing shave, treat yourself to a Power Boost facial with skin rejuvenating Vitamin C mask. And if late-night partying has got you down, try the Hangover Rescue. This super-hydrating facial is designed to fight puffy eyes and dark circles. Appointments recommended. 690 S. Coast Hwy., Laguna Beach, 949.715.9408.
